Green Light for Schools

A ROAD-SAFETY CHALLENGE FOR YOUR YEAR 11-12 STUDENTS

Free for the school • No admin burden • Built around parent consent

WHAT IS GREEN LIGHT?

Australia's Road Rules Championship — a national online competition testing road-rules knowledge under time pressure, for ages 16–20.

15 questions • 20 seconds each • 2,300+ reviewed questions. Season One ends in a live national Grand Final — major prize: a new hatchback (minimum value \$25,000) under our published terms.

A GENUINE SKILL COMPETITION

Rankings are determined solely by knowledge and speed — no element of chance. Entry is from \$4.99 per attempt (GST inc.), stated up-front to students and parents.

Every question is approved by a human reviewer before it can appear. Nothing is machine-published.
